SERIES CONCEPT

Workforce Services Representatives provide a broad range of services in accordance with the Workforce Investment Act; assist job seeking customers and business customers seeking qualified applicants; and provide priority employment services to eligible veterans and disabled veterans as defined by the Department of Labor.

Interview customers to elicit information regarding education, training, work experience, and occupational goals or interests; assist customers in registering for services; search current job listings and screen job seeking customers to ensure education and experience meet job order specifications; contact businesses on behalf of job seekers; refer qualified customers to businesses and verify referral results; provide information and referrals to programs available in the community; identify customers who are eligible for assistance offered through the Trade Readjustment Act, Career Enhancement Program, or veterans services; gather required information and make appropriate referrals to community-based services, partner services, or other federal programs.

Assist customers to use the resource center's automated equipment to search for employment on the Internet, access career/employer statistics and information, utilize the interest and skills assessment and training software, and prepare resumes and cover letters; provide explanations understandable to the customer regarding procedures and resource center usage.

Advise job seeker on results of self-assessment tests and career direction options; suggest training and other resources to assist in career pursuit; edit and proof resumes; identify obstacles to employment and coach job seeking customers regarding the application process, job interviews, and other job search skills.

Conduct individual or group orientation sessions to inform customers of programs and services available; answer inquiries from the public and employers regarding workforce investment services and programs.

Perform related duties as assigned.

CLASS CONCEPTS

Workforce Services Representative V: Incumbents at this level typically supervise Workforce Services Representative II's, III's, and IV's in a large metropolitan office or are responsible for the daily operation of a casual labor employment office in a metropolitan area.

CLASS CONCEPTS (cont'd)

Workforce Services Representative V (cont'd)

Compile information and submit a variety of reports to management regarding staff, production, or special projects; review periodic reports to track quality assurance, timeliness, and customer service goal achievement for individual employees and the office; participate in the development and implementation of corrective action plans when established goals are not met; review and approve customer classroom and on-the-job training contracts and payment documentation; answer subordinates' questions and resolve problems with staff and customers.

Supervise subordinate paraprofessional and professional staff; participate in hiring interviews; prepare work performance standards for subordinates; prepare and conduct performance evaluations; determine individual training requirements; deliver on-the-job training to address areas of deficiency for individual employees or to introduce new procedures; recommend and prepare documentation for disciplinary action.

Workforce Services Representative IV:

Positions in this class are distinguished from the lower levels by their significant involvement in outreach efforts to the community and business customers. Incumbents spend the majority of the time communicating with business customers to develop jobs or market and provide the services offered through the Employment Security Division (ESD). This level is also distinguished from the lower levels by the independence and judgment required when performing these duties in the community.

Contact or respond to private and public business customers, community organizations and groups to explain the programs; educate business customers on available services and financial incentives and other advantages of using agency services; provide technical information such as competitive wage and labor market information; describe attributes and skills of job seeking customers and coordinate with staff/other agencies to write on-the-job training contracts; promote appropriate programs to qualified employers; maintain files on data collected for future use; conduct oral presentations before groups such as chambers of commerce, and effectively develop written communications such as letters and reports.

Monitor on-the-job training contracts to ensure compliance by both business and job seeking customers; intervene to resolve problems or issues; review and approve time sheets for payment and investigate discrepancies.

Market and provide the services offered through ESD and local workforce and one-stop offices to promote economic development within the State; visit business customers to provide information on available workforce solutions which include recruitment and referral, education and training, business resource centers, and information services.

Interview business customers to elicit information to determine present or future workforce needs; engage in rapid response activities to address the needs of business and job seeking customers in large layoff situations.

Provide technical expertise and explain guidelines and regulations to employers regarding special programs such as alien certification, immigration, permanent labor certification, and similar programs; coordinate program efforts and activities and ensure compliance with applicable regulations and requirements.

CLASS CONCEPTS (cont'd)

Workforce Services Representative IV (cont'd)

Promote workforce investment resources; participate in cooperative agency meetings, attend community sponsored workshops, and maintain liaison with Chamber of Commerce, industrial development agencies, personnel associations and other community organizations; hold meetings and exchange correspondence to coordinate employment service activities with other community agencies; resolve job order verification problems and complaints.

Provide local office staff with information on industry and individual businesses for continuity of the recruitment effort; attend staff meetings and correspond in writing to explain procedures or disseminate information.

Conduct research on labor force availability to encourage business customers to locate in Nevada; select data from existing publications, conduct surveys, and review computer printouts; develop and implement marketing strategies to penetrate the labor market, increase the market share and secure job listings in occupations prevalent in the applicant pool; compose and place newspaper, radio, Web site, and television advertisements and public service announcements; analyze data resulting from employer contacts to write reports; document information to ensure program accountability.

Workforce Services Representative III:

OPTION A - Employment Services: Positions allocated to this option either work as program representatives and determine job seekers' eligibility to participate in special programs such as the Career Enhancement Program or Trade Readjustment Act which provide training or specific tools or equipment required for employment in a chosen occupation, **OR** supervise a unit of Workforce Service Representative II's. Positions at this level are distinguished from Workforce Services Representative II's by responsibility for intense client contact, authority to determine eligibility to participate in programs, carrying an ongoing case load of program participants, or supervision of subordinate Workforce Services Representatives II's.

Evaluate resource center test results to assess job seekers' interests, skills, and aptitudes; provide vocational guidance to job seeking customers in making occupational choices, changes, and adjustments; identify potential barriers to employment as well as skills, abilities, attitudes, educational achievements, and limitations on conditions of employment; identify steps leading to achievement of occupational goals; prepare a written contract outlining a mutually agreed upon action plan; process intake forms and make decisions on services to be provided.

Contact businesses on behalf of job seekers to make a referral or promote on-the-job-training opportunities; advise clients regarding appropriate job search behavior; monitor job seeking customer's progress through training to ensure compliance with contract and program provisions; process required documentation to encumber funds for individual contracts and invoices to facilitate payment; provide assistance and encouragement to customers; refer customers to services provided by workforce investment partners and coordinate service delivery with partners; conduct workshops to teach job seeking and job related skills.

Evaluate and process documents prepared by others to ensure program compliance; identify discrepancies, resolve problems and provide guidance to local office staff; authorize and approve documents within assigned parameters; compile and summarize program information related to program budget, clientele and operations for inclusion in management or federal reports; assist program vendors by researching requested information and resolving problems or complaints.

CLASS CONCEPTS (cont'd)

Workforce Services Representative III: (cont'd)

OPTION A - Employment Services (cont'd)

Perform group orientations to inform unemployment insurance benefit claimants of reemployment services available through the workforce investment partners and assist with completion of necessary forms; conduct individual eligibility reviews with unemployment insurance benefit claimants to verify identity, evaluate and develop appropriate work search plans, verify job search efforts, and examine information for potential issues that would affect payment of unemployment benefits; enter required information in the computer.

Supervisory positions train, supervise, and evaluate the performance of assigned staff; assign and review work; recommend and compile documentation for disciplinary action; monitor production to ensure the unit's goals are met and compliance with regulations and policy; resolve complaints and answer inquiries from customers and the public.

OPTION B - Local Veterans Employment Representative: Positions allocated to this option coordinate and maintain the veterans employment services program in a local workforce investment or one-stop office; provide technical advice and instruction to office staff regarding State and federal laws and departmental policies and procedures to ensure the proper delivery of services to veterans; evaluate veterans services provided by the local office and determine if performance goals are met; prepare monthly veterans program production reports and recommend action to improve performance; monitor federal job listings and maintain contact with local federal contractors to ensure compliance with veterans preference requirements; and provide the services described in the Employment Services option at this level to veterans; incumbents may supervise a Disabled Veterans Outreach Program position.

Workforce Services Representative II: Under supervision, incumbents typically work in a local workforce investment or one-stop office and perform most of the duties described in the series concept. Some positions serve a specific customer base such as disabled veterans, public assistance clients, or business customers placing job listings.

OPTION A - Employment Services: Positions allocated to this option approve and assist business customers to register in the workforce development system; assist employers in developing job descriptions and enter job listings into the computer system; evaluate and approve job listings entered into the job bank by business customers to ensure clarity and compliance with regulations; and contact business customers to inquire about job order results and status of job seeker referrals.

Evaluate the education, training, and work history of job seeking customers and assess their qualifications for referral to business customers or programs that provide training or other assistance within or outside the agency.

OPTION B - Disabled Veterans Outreach Program: Positions allocated to this option provide outreach, labor exchange, job development, referral to supportive services, training, follow-up, and educational services to disabled veterans; cooperate with military separation centers to present the Transition Assistance Program; and maintain close liaison with veterans organizations and local social service providers.

Workforce Services Representative I: Under close supervision, incumbents receive classroom and on-the-job training in the duties described in the series concept. One year of experience as a Workforce Services Representative I in Nevada State service provides for semi-automatic progression to the next level in accordance with regulations. This is the trainee level in the series.
